

## REQUEST FOR CLUBHOUSE ACCESS CODE

Cherry Home Association offers Members and immediate family the opportunity to access the clubhouse via a keypad entry code. This system uses a member unique 4-digit numeric code. These codes are not to be shared with nonmembers, guests, or renters. Each use of the code is recorded, and time stamped with date and time of entry. CHA will periodically check the lock database to evaluate use.

Available hours are 7:00 AM to 10:00 PM – May thru December.
