At the end of December, a letter from the Board was sent to Rick Cross stating our desire for partial funding support. On January 23<sup>rd</sup> Tom, Brendan, and Rick met. Rick and Brendan said that with the new sewer ordinance, if there were to be any subsequent capital improvement in the foreseeable future, such as the installation of a sewer system, then LCRC wouldn't want to participate in any road improvements until that work had been planned and completed.

Membership feedback from the second, condensed questionnaire ended on February 1<sup>st</sup>, 2023. Scott Robertson collated the results into a "top 20" list and Daniel Gorenflo created a draft survey.
